# 4905 Booklet Bank and Corporation Taxes Offer In Compromise

#### What you should know before preparing an Offer in Compromise

#### Are you an OIC Candidate?

The Offer in Compromise (OIC) program is for corporations that do not have, and will not have in the foreseeable future, the income, assets or means to pay their tax liability. It allows a corporation to offer a lesser amount for payment of a **non-disputed final tax liability**.

Generally, we approve an Offer in Compromise when the amount offered represents the most we can expect to collect within a reasonable period of time.

Although each case is evaluated based on its own unique set of facts and circumstances, we give the following factors strong consideration in the evaluation:

- Ability to pay
- · Equity in the corporation's assets
- · Present and future income
- Present and future expenses
- The potential for changed circumstances

#### Can We Process Your Application?

We will only process the Offer in Compromise application if you:

- Filed all of the required tax returns. If you have no filing requirement, note it on the application.
- Fully completed the Offer in Compromise application, and provided all supporting documentation.
- Agree with the Franchise Tax Board (FTB) on the amount of tax you owe.

# Will a Collateral Agreement be Required?

Upon approval, we may require the corporation to enter into a collateral agreement for a term of five years. Generally, a collateral agreement will be required in cases when the corporation has significant potential for increased earnings. A collateral agreement requires a corporation to pay to FTB a percentage of future earnings that exceed an amount agreed upon by the corporation and FTB.

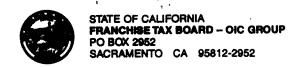

## Is Collection Suspended?

In most cases, collection action will be suspended until the Offer in Compromise evaluation is completed. However, submitting an offer does not automatically suspend collection activity. If delaying collection activity jeopardizes our ability to collect the tax, we may continue with collection efforts.

# When Should Offered Funds be Submitted?

You should not submit the offered funds until we request them. When we do ask for the funds, submit them by cashiers check or money order.

#### **Questions and Answers**

- Q What does the Franchise Tax Board consider a fair offer in relation to the amount due?
- A Generally, we will accept an offer when the amount offered is more than we can expect to collect within a reasonable period of time.
- Q How long will it take to get a decision on my OIC?
- A Generally, if we accept your offer for processing, we will have a decision to you within 90 days after receiving your offer. If the account is more complex, it may take longer than 90 days.
- Q What is the collateral agreement?
- A This is a contractual agreement between the corporation and the State of California, where the state agrees not to pursue collection of amounts owed it by the corporation in exchange for a pledge of a percentage of corporate income that is in excess of a specified amount. The collateral agreement is in conjunction with an Offer in Compromise and is generally for a period of five years.
- Q Can I make payments on the offered amount?
- A No, we require full payment of the offered amount at the time the offer is submitted for approval.
- Q Can prior payments be applied to the offered amount?
- A No, prior payments are not accepted towards the offered amount. However, prior payments and the offered amount compared to the total liability are taken into consideration when evaluating your offer.
- Q My IRS OIC has been accepted. Will the FTB automatically approve my offer?
- A No, we will evaluate your California offer without regard to your IRS offer. Generally, if the amount of the offer represents the most that we can expect to collect within a reasonable period of time, we will accept your offer.
- Q If the Franchise Tax Board determines that my offer is not acceptable, will I be contacted?
- A In most cases, we will contact you to discuss your account and to determine the most appropriate resolution. For example, if we determine that the corporation has the ability to make monthly payments which will exceed the amount offered, we will work with you to establish an installment agreement.
- Q If my offer is approved, will the corporation have to sign a collateral agreement?
- A If the corporation has limited potential for increased earnings, we will generally not require a collateral agreement.
- Q Will state tax liens be released if the offer is accepted?
- A Generally, we release state tax liens upon final approval of your Offer in Compromise.
- Q Do I need to have someone represent me?
- A No. You may have representation if you prefer, but it is not required.
- Q Can I get relief from the tax liability by filing bankruptcy?
- A Part or all of the corporation taxes may be dischargeable under the bankruptcy code. If this is a consideration, you may want to seek legal advice.
